

LEOPOLD BROS. MARYLAND- STYLE RYE WHISKEY

65% Heritage Abruzzi Rye
20% Malted 2-Row Barley
15% Corn

WILD FERMENTATION

POT DISTILLED

LOW BARREL PROOF

Fermented at the height of summer to capture the natural flora of our distillery garden, this single barrel whiskey revives the nearly lost flavors of Maryland's Pre-Prohibition whiskeys.

Aged for two years in new American white oak charred barrels lined along earthen floors in our barrelhouse on Colorado's Front Range, the traditions of softer fruit and floral notes shine bright in each and every bottle.

LEOPOLDBROS.COM

"...deliberately lighter and grassier in style but offers bright berry notes on the nose. ...it is also clean and juicy and smooth and just a little bit sweet. If this is the future, we can't wait for the next round."

David Wondrich, *Esquire Magazine*

**RELEASE DATE:
OCTOBER 8, 2019**

In celebration of our 20th anniversary, we're releasing Maryland Rye a little earlier this year. Get it while you can, because it's taking a sabbatical until 2022. See you again in a whole new form in three years!
