

LEOPOLD ESTD — BROS — 1999

FAMILY DISTILLERS OF FINE SPIRITS

40% ABV / 80 Proof

Our Fernet Leopold Highland Amaro embraces the herbal notes of the traditional fernet style, while offering a pronounced and entirely unique mint quality. We achieve this by steeping a flight of bitter roots in our spirit followed by rose petals, elderflower, chamomile, and honeysuckle which lend depth and a complex finish. These ingredients will rest for weeks before they are drained and racked into Chardonnay barrels for months of aging. Every barrel is then bottled by hand, to preserve the integrity of the flavor and aroma.
